INVESTIGATION

...PROGRESS
LATER ON... HERE

A lot of abnormalities have been occurring around me lately.

It seems that on my last investigation, I somehow brought back a valuable object with me.

I have gone to many places with clients and other phenomenon for my studies. I've taken up and helped people with their abnormal troubles.

In case that there's a powerful one to it.

I brought back a valuable paper then.

Grab the die.

The ghost doesn't seem to be doing anything aside from messing with my health.

IF YOU
ASK ME
WHY I'M
STILL DOING
IT...

If I
can, help
Sensei
produce
amazing
books
for the
world
I
will
do
anything.

If
Sensei's
book can
produce
because of
my
investigative
power...

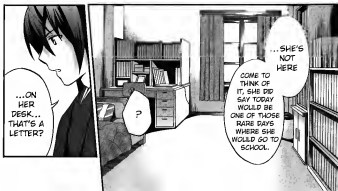

**I WILL
SACRIFICE
ANYTHING.**

**IN ORDER
TO BE
PRAISED
BY
SENSEI**

I CAN'T
LET JUST
SENSEI AND
TAGUCHI-SAN
GO TO TENJIN
ELEMENTARY
SCHOOL.

I'LL
GO TOO.

Dear Sensei,

For Sensei's sake I will do anything in my power
With the results from the last investigation on Tenjin
it seems like you can come back after removing the curse
from Shimozaki Sachiko. The school will be dangerous
for you and Tetsuchi-san because none of you have sufficient
defense's against ghosts. Once I come back home
I will also go with you guys. I don't know if we'll actually
succeed but, but I'm sure you'll get some good material

If you get your time estimate from your job
take me quicker some good food

From Naho

Sensei~!
Are you awake yet~?

MAHO-KUN...

I'VE
REALIZED
SOMETHING
EVEN
CREEPIER

...I
SHOULD
SAY

AH...

NO...
WE'RE FINE

...AH

...EH

...LIM

I
THOUGHT
IT WAS JUST
US TWO IN THIS
STUDIO, BUT
NO WAY, IS
THERE
POSSIBLY A
THIRD
PERSON?
SPOO IT!

HAHO-
CHAN
HAS
BEEN...
KINDA...
Y'KNOW
IT
LOOKS LIKE
YOU'VE
BEEN
AWARE OF
SOMETHING
IN THE
CORNER OF
THE
ROOM...

NO,
I DIDN'T.

ARE YOU
SURE YOU
DIDN'T SEE
ANYTHING?

Nice
work
guys—
That's all
for
today!

You can't be serious, TK-san from Kyoto

RIGHT HERE...

RIGHT AFTER SAENOKI-SAN'S "YOU'RE RIGHT."

You are right,.....

I CAN'T HEAR ANYTHING APART FROM THE TWO OF THEM...

In the "Shirogane-house" Files

The Shirogane's only daughter, Sachiko

You can't be serious, TK-san from Kyoto

You are right.....

THERE!

.....ISN'T SOMEONE SAYING "I CAN SEE YOU"!?

Just
how long
does it
want to
follow me
around.....!

I'm glad

Naho-chan
finally
smiled

The staff
and Sayaka
could have
easily been
killed.

The
incident
before
too.

This
is the first
time I've
dealt with a
spirit with such
a powerful
attachment

As I
thought, if
we're to keep
Kinko-senses
safe, we
have to stop
the investi-
gation.

--HUH?

Let's pull back
from the
Tenjin
Elementary
School
Investigation.

I
can
see
you

Me and Tasuke-kun are going to Tenjin Elementary School alone

"Thank you for the kind feelings. Having been doing so much for my work's sake, as I thought, I cannot put you in anymore danger."

Sensei

Sensei

Sensei

couldn't stop him

What should I do?

Sensei

Because of me
